THE WICK

Annual Picnic

It's often claimed that life is no picnic – but on June 17th – it will be! International Picnic Day happens to be the following day so our gathering is just in time!

The first usage of the word is traced to the 1692 edition of Tony Willis', *Origines de la Langue Française*, which mentions pique-nique as being of recent origin; it marks the first appearance of the word in print. The term was used to describe a group of people dining in a restaurant who brought their own wine and these days retains the connotation of a meal to which everyone contributed something.

The club picnic will be at the home of Vicki Ferguson ([2853 Circlewood Lane, Centerville, OH 45458](https://www.google.com/maps/place/2853+Circlewood+Lane,+Centerville,+OH+45458) [Click link for directions](#)).

Maggie Garcia has created a Carry-In Sign-up again using a link to the SignUpGenious website found in the email of this newsletter. Contact Maggie (937-694-4761) directly if you need to RSVP in ways other than the website. As of June 15, only 11 have confirmed. The following items have been signed up for:

Club: purchasing fried chicken
Vicki Ferguson: Ice, plates/cups/napkins/table service
Trish Smith: Scalloped Corn
Carolyn Richardson: Cole Slaw
Al & Karen Cenci: Relish Tray
Maggie Garcia: Cake
Jill Henry: 3 2-liter bottles soda

Please sign up ASAP so that an accurate headcount can be made to order the chicken.

What a crazy summer we've had with all this rain! Thankfully, we can still enjoy our African Violets inside and stay dry. Speaking of Violets it's hard to believe that it's only 13-14 weeks until the Ohio State African Violet Society's Annual Convention, Show and Sale in Mansfield. Talk to your plants and tell them to get ready!

Next month we will be having our planning meeting to line up our programs for the year. Let's do lots of "hands on" to work on our plants. Hope to see you all at our picnic Monday!

– Al Cenci

Dear club members,

I wanted to let you and the group know what is going on with me. Several weeks ago I had a MRI that showed I had several spots of active cancer cells in the liver. Last Friday I had another Y 90 Radiation treatment which has left me feeling quite ill so I will not be able to come to the picnic. Besides that on Memorial Day my husband was feeling unstable so he held onto me. His legs gave out and he took me down with him. My foot hit the compost bin and my ankle broke. I have a heavy boot on but cannot put any weight on it. My daughter is taking care of me. Roy did not get hurt when he fell. I hope in another month that I will be back to normal. – Jan Schroeder

Another of our club members, our dear Pat Hancock, fell on her return trip from the African Violet National Convention in Houston. She has torn the rotator cuff in her left shoulder and currently undergoing Physical Therapy.
